My Hobbies Beyond Programming:

Watching K Drama
Travelling
Games - Puzzle

Experience

Imigrom Mediatech | Web Developer

Date - November 2023 - October 2024 (5 months)

Contributed to real-life client projects, directly boosting their business performance by developing responsive and user-friendly web applications.

Collaborated with cross-functional teams to design and implement high-quality websites, enhancing user engagement and providing seamless navigation experiences.

Utilized modern web development technologies such as HTML, CSS, JavaScript, and React to deliver optimized and scalable solutions tailored to client needs.
